

ACIAR Postharvest Newsletter

Index

Nos 40 (March 1997) to 64 (March 2003)

Entries refer to issue numbers; issues are quarterly; CA = item in Current Awareness column

A

ACIAR

communications manager 55
country consultations 45
country managers 40, 41, 53
corporate plan 41
new Director appointed 61 (CA)
Philippines consultation 62
postharvest policy to 2006 62
review of activities 45, 47

ACIAR Postharvest Technology Program annual meetings

1997, Canberra 41, 42
1998, Brisbane 45, 47
1999, Canberra 51
2000, Gatton 56
2001, Nambour 59 (CA)
2002, Canberra 63

conferences

International workshop on disease resistance in fruit 40, 41
International workshop on seeking agricultural produce free of pesticide residues 44
Workshop on postharvest handling of fresh vegetables 57

projects

Applications of in-store drying in the grain industry in Southeast Asia (PHT/1990/008) 43, 44
Cocoa fermentation, drying and genotype product quality assessment (PHT/1995/136) 44
Computer-assisted learning as a tool to improve grain storage pest management in key ASEAN countries (PHT/1997/131) 46
Control of ripening in papaya and mango by genetic engineering (PHT/1994/045) 44, 46, 51, 52
Development and application of simple test kits for pesticide residues in plant-derived foods (PHT/1993/009) 47
Disease control and storage life extension in tropical fruit (PHT/1991/005; PHT/1993/013) 40, 41
Factors affecting invasion by *Aspergillus flavus* and aflatoxin formation in Asian peanuts (PHT/1991/004), impact of project in Thailand 58
Fungi and mycotoxins in food and feed stuffs (PHT/1988/006), impact of project in Thailand 58

Grain handling projects in the Philippines 61

In-store drying of grain in China (PHT/1994/037) 42, 56

Integrating effective phosphine fumigation practices into grain storage systems in China, Vietnam and Australia (PHT/1998/137) 55, 60

Integrated use of pesticides in grain storage in the humid tropics (PHT/1986/009), impact of project in Thailand 58

Long-term storage of grains under plastic covers (PHT/1983/007), impact of project in Thailand 58

Low-cost disinfestation systems for fruit (PHT/1993/877) 60

Management of *Phytophthora* diseases in durian (PHT/1995/134) 48, 54, 60, 63

Microbial contaminants in sago processing (PHT/2001/016) 63

Monitoring mycotoxins and pesticides in grain and food production systems for risk management in Vietnam and Australia (PHT/1996/004) 50, 53, 62

Phosphine resistance in insect pests of stored grain (PHT/1994/015) 40, 52, 57

Pineapple quality improvement (PHT/1994/007) 41, 46, 57

Postharvest diseases of fruit (PHT/1997/094) 63

Postharvest handling and disease control in melons (PHT/1996/152) 43

Reducing aflatoxin in peanuts using agronomic management and bio-control strategies in Indonesia and Australia (PHT/1997/017) 59

Sago improvement of food safety and processing (PHT/2001/016) 59

Selection for improved quality and resistance to *Phytophthora* pod rot, cocoa pod borer and vascular-streak dieback in cocoa in Indonesia (PHT/2000/012) 58, 60

Shelf life extension of leafy vegetables (PHT/1994/016) 48, 55, 57, 60, 61

Survey of the presence and incidence of *Phytophthora* in Southeast Asia (PHT/1996/193) 63

economic assessment of grain drying projects 46, 53

impact assessment, postharvest research in Thailand 58

research cooperation with China 51

strategic plan 43

Afghanistan, rebuilding agriculture in 60 (CA)

Africa

- action against mycotoxins 55
- children's growth, effect of aflatoxins on 62 (CA)
- coffee farmers' incomes fall 64
- effect of EU aflatoxin standard on exports 61
- GIP/T regional workshop 60
- managing aflatoxins in Bénin 63

agricultural engineering

- agro-industrialisation 42
- impact on agricultural and rural development 44
- international conference report 51
- Internet discussion groups 48
- textbook offer 55

APEC, *see* regional bodies

Asia

- agro-industrial development in Southeast Asia 60
- grain drying 46, 51
- impact of agricultural research and development in Southeast Asia, conference report 56
- postharvest technology 43, 46

ASEAN, *see* regional bodies

Australia

- agricultural chemical use 43, 48
 - national strategy 46
- agricultural research and development agreement with People's Democratic Republic of Korea 55
- AusAID (Australian Agency for International Development) CARD workshops 62, 63
- Australasian Postharvest Horticulture Conference 2003 62 (CA)
- Australian Postharvest Technical Conferences
 - Canberra 1998 44, 45
 - Adelaide 2000 54
 - Canberra 2003 64
- Crawford Fund for International Agricultural Research
 - "Food for the future: opportunities for a crowded planet", conference 2002 60 (CA)
 - "Food, water and war", conference report 55
 - new director 49
 - "Prosper or perish. Asian poverty and the Australian economy", conference report 58 (CA)
 - review of activities 45
 - seminar on NGOs, scientists and the poor 40
- Food Science Australia 44
- grain drying 46, 51
- peanut research with China 62
- review of national development assistance program 41
- Stored Grain Research Laboratory 47, 61
- survey of chemical residues in agricultural produce 46

B

Bangladesh

- grain drying 46, 61
- postharvest research at the University of Rajshahi 59

C

Canada

- International Development Research Centre (IDRC) 54
- new grain storage R&D centre 64

carbonyl sulfide (CS₂), use as grain fumigant 64

CAST (Council of Agricultural Science and Technology), report on mycotoxins 64

CGIAR, *see* international bodies

Champ, Bruce (Order of Australia award) 64 (CA)

China

- ACIAR country manager 41, 53
- development of grain storage research 43
- grain drying research and technology 42, 45, 56
- impact on world grain markets 41
- leafy vegetables, research on shelf-life extension 48, 49, 55, 57, 60, 61
- melon research 43, 58
- peanut research with Australia 62
- phosphine resistance in stored grain pests 50, 55, 60
- protectant research 52
- workshop on postharvest handling of fresh vegetables 57

cocoa

- research on fermentation and drying technology 44
- selection for improved quality and resistance 58, 60

Coffee, supply chain and prices 64

conferences, *see also* ACIAR Postharvest Technology

- Program, conferences
 - agricultural engineering 51
 - ASEAN Food Conference
 - 7th 51
 - 8th 64
 - ASEAN Postharvest Seminars 45, 47, 49, 50, 51, 54, 55, 56, 57, 58, 61 (CA), 63 (CA)
 - Asian Conference on Plant Pathology (1st) 52, 53
 - Australasian Postharvest Horticulture Conference 2003 62 (CA)
 - Australian Postharvest Technical Conferences 44, 45, 54, 64
 - biocontrol of stored products pests 57
- CAF2004 (International Conference on Controlled Atmosphere and Fumigation in Stored Products) 64
- controlled atmosphere research 48, 56

engineering in agriculture 51
 feeding Asian cities 54
 food analysis 44
 Food for the future: opportunities for a crowded planet
 60 (CA)
 food processing and engineering, innovations in 61
 Food Protection '98 43
 food quality modelling 40
 food safety 48
 Food, water and war 53
 fumigants and pheromones workshop 56, 62 (CA)
 global food security 56
 grain drying 46
 Global Postharvest Forum, joint *PhAction*–JIRCAS
 seminar 60
 horticultural research 41
 horticulture postharvest 56
 impact of agricultural R&D in Southeast Asia 56
 International Congress of Plant Pathology 47, 61
 International Drying Symposium 59 (CA), 63
 International Horticultural Congress (XXVth) 41, 43
 International Plant Protection Congress (XVth) 56
 International Postharvest Horticulture (1st) 56
 International Postharvest Horticulture Conference and
 Exhibit 2001 57
 International Rice Congress 2002, 63
 International Rice Research Conference 2000 51
 international trade 52
 International Working Conferences on Stored-product
 Protection 40, 41, 43, 47, 56, 62
 Linking farmers to markets 51, 56
 NGOs, scientists and the poor 40
 packaging for quality produce 10
 pineapple 41
 Postharvest 2000 47
 postharvest technology in Asia 43, 44
 quality assurance 47
 rice postproduction technologies (email conference) 41,
 42, 44
 rural development assistance 40
 Shanghai international vegetable conference 54
 soybean utilisation and processing 46, 55
 26th International Horticulture Congress and
 Exhibition 55
 technology and equipment for grain storage 52
 trade opportunities for irradiated food 52
 vegetable quality 40
 workshop on environmental risks of pesticides 62
 World Avocado Congress (5th) 64
 World Congresses of Food Science and Technology 48,
 53

disease management 48, 54, 60, 63

economic assessment of research 47

in Pacific Island communities 47
low-cost disinfestation after harvest 60
mango
 control of ripening by genetic engineering 44, 51
 stem-end rot, preharvest factors 47
melons
 disease control 43
 postharvest handling 43
 postharvest losses 58
papaya, control of ripening by genetic engineering 44,
46, 51, 52, 57
pineapple, research on blackheart disease 41, 57
 project review 49
quality assurance systems 54
research cooperation in the Pacific region 57

fumigants and fumigation
 carbonyl sulfide (CS₂), use as grain fumigant 64
 ethyl formate, use as grain fumigant 64
 methyl bromide phase-out 41, 49
 maintaining the effectiveness of phosphine
 fumigation 60
 new phosphine generator 58
 phosphine, resistance to in stored grain pests 40, 46, 50,
 52, 55, 57

G

GASGA, *see* international bodies, *PhAction*

gender issues in project design 48

genetic engineering in agriculture (review) 57

genetically modified (GM) versus organic produce 62

GIPhT, *see* international bodies

globalisation, impact on the postharvest subsector 56

grain
 chemical protectants research 40
 drying
 advance drying (publication) 62 (CA)
 economic assessment of ACIAR projects 53
 in Bangladesh 46, 61
 in Bhutan 46, 61
 in India 61
 in Southeast Asia reviewed 59
 in Thailand
 award for Thai research team 44
 mobile fluidised-bed dryer 40
 spouted-bed drying 49
 of cereals 51
 of paddy 42, 55
 research in China 42, 45, 56

 research in Vietnam 57
 technology, international short course 43
fusarium head scab, workshop 40
fumigation, *see* fumigants and fumigation
handling in the Philippines 61
handling and marketing, role of village
cooperatives 57
losses after harvest in Philippines 44
losses due to rodents 64
outdoor storage manual 40
maize
 control of lesser grain borer 49
 aspects of production in the Philippines 53
 managing stocks in developing countries 55
 mycotoxins in 41, 55
paddy and rice
 email conference on rice postproduction
 technologies 41, 42, 44
 future demand for in Asia 48
 International Rice Research Congress 2002 63
 market liberalisation and poverty in Vietnam 57
 quality management 58
soybeans, international conference report 55
storage
 computer-assisted learning in Vietnam 63
 in Africa 54
 in China 49
 of cereals 51
 of cowpea, improved 63
 of paddy 42
 on farm in Australia 59
 research at SGRL 61
 sealed storage technology adopted in Vietnam
 60
 sealed storage and fungal damage 52

H

Hunger, striving to reduce 61

I

India
 ACIAR South Asia country manager 40
 grain drying in 61
 phosphine resistance in stored grain pests 40, 52, 57
 use of ELISA for residues in food 47

Indonesia
