- 2.3 The Parties acknowledge and agree that from time to time there may be events which delay the Commissioned Organisation's ability to perform its obligations under the Project Agreement which are beyond the reasonable control of the Commissioned Organisation. The Parties agree to deal with such unavoidable delays as follows:

 - (i) notify ACIAR in writing as soon as it becomes aware of any event which it believes will delay its ability to perform its obligations under the Project Agreement and which it believes are beyond its reasonable control; and

Any Services performed by the Commissioned Organisation prior to the date of commencement of the Project Agreement may be treated as Services under the Project Agreement if so specified by ACIAR in the Letter of Interim Agreement.

4.2 A Project Agreement may be extended where ACIAR determines that sufficient reason exists to do this and the Parties so agree in writing.

5. Payment

5.1 The total amount of funds payable by ACIAR to the Commissioned Organisation for the Services is the "financial limitation" specified in the Letter of Agreement.

5.2 In performing the Services the Commissioned Organisation shall not incur expenditure in any period in excess of the funds payable for that period in accordance with clause 5.4 without the prior written approval of ACIAR.

5.3 Unless otherwise agreed by the Parties in writing, ACIAR shall in no way be liable for any additional costs incurred for services performed by the Commissioned Organisation outside the scope of the Services.

5.6 Notwithstanding clause 5.5, ACIAR shall withhold from the Commissioned Organisation the Australian component of the final payment (that is the amount specified in the 'Payment Schedule' tab of the Budget in the Project Document) a Withholding Payment as follows:

- (a) the sum of \$10,000 where the Financial Limitation is less than or equal to \$400,000; or
- (b) the sum of \$20,000 where the Financial Limitation is greater than \$400,000;

pending receipt of a satisfactory Final Report as detailed in clause 17.2. The Withholding Payment shall be made to the Commissioned Organisation within thirty (30) days of ACIAR's acceptance of the Final Report. Within thirty (30) days of receipt of the Withholding Payment, the Commissioned Organisation must provide a Final Acquittal for the Project including acquitting all unexpended funds.

5.7 The Commissioned Organisation may, subject to the following qualification and without reference to ACIAR, transfer funds payable in respect of a particular item in the Budget for the Project to another item. The amount transferred may be 10% or \$10,000 of the total of the particular item in the Budget from which the funds are being transferred, whichever is the lesser. Transfers involving larger amounts must not be made without ACIAR's prior written approval.

- 5.8 Notwithstanding clause 5.7, the Commissioned Organisation shall not transfer funds payable in respect of a particular item in the Budget payable outside Australia to another item in the Budget payable outside Australia. However, the Collaborating Institution shall be able to vary its component of the Budget in the same way described in clause 5.7. Transfer of funds between items in excess of the amount referred to in clause 5.7 shall not be made without the prior written approval of ACIAR.
- 5.9 Where the Budget for the Project set out in the Project Document provides for the payment of any funds by the Commissioned Organisation to a Collaborating Institution, the Commissioned Organisation shall pay those funds six-monthly in advance within seven days after receipt of payment from ACIAR under clause 5.5 during the term of the Project Agreement. Any funds that are unexpended by the Collaborating Institution at the expiration of the Payment Period for which they were allocated shall be carried over for expenditure in the following Payment Period and the advance made for the following Payment Period by the Commissioned Organisation to the Collaborating Institution shall be reduced proportionately, unless ACIAR approves otherwise in writing.
- 5.10 No later than 30 days after the expiration of each Payment Period for which the funds were allocated (“acquittal period”), the Commissioned Organisation shall provide to ACIAR a written acquittal that includes the following details:
- (a) the unacquitted amount from the prior period (if any), the amount received from ACIAR for the acquittal period and the amounts expended in the acquittal period;
 - (b) an explanation detailing the reasons for the delay in spending funds must be provided where unexpended funds exceed 20% of available funds;
 - (c) sign-off by the Project Leader; and
 - (d) certification by an officer duly authorised by the Commissioned Organisation that the amounts, reported under clause 5.10(a) above, are correct and accurately reflect expenditure which has been incurred against each item for the purposes of the Project.
- 5.11 The report to be provided under clause 5.10 must be in the form set out in the ACIAR project management system.
- 5.12 The Commissioned Organisation acknowledges it is solely responsible for payment of, and accounting to ACIAR for, all expenses incurred in performing the Services.
- 5.13 **Goods and Services Tax**
- (a) Amounts that ACIAR is required to pay under the Project Agreement are calculated on a GST-exclusive basis. Where the Commissioned Organisation becomes liable to remit any amount of GST in respect of any Supply it makes to ACIAR in accordance with the Project Agreement (“GST liability”), the amount otherwise payable by ACIAR under the Project Agreement will be increased by the amount of the GST liability, or any lesser amount required by law. The increased amount will be payable by ACIAR in the same manner and at the same time as other amounts payable under the Project Agreement.
 - (b) Where required, the Commissioned Organisation shall provide a tax invoice that may enable ACIAR, if permitted by the *A New Tax System (Goods and Services Tax Act) 1999* (Cth) (the “GST Act”), to claim a credit or refund, a notional credit or refund, of GST.
 - (c) In clause 5.13, a word or expression defined in the GST Act has the meaning given to it in that Act.
- 5.14 **Taxes**
- The Commissioned Organisation must pay all:
- (a) stamp duty (including penalties and interest) assessed or payable in respect of the Project Agreement and the undertaking of the Project; and
 - (b) subject to clause 5.13, all taxes, duties and government charges imposed or levied in Australia or overseas in connection with the performance of the Project Agreement.
- 6. Negation of Employment, Partnership and Agency**
- 6.1 The Commissioned Organisation shall not by virtue of the Project Agreement be or for any purpose be deemed to be an officer, employee, partner or agent of the

Commonwealth or ACIAR, or as having power or authority to bind or represent the Commonwealth or ACIAR, and shall not represent itself, and shall ensure that its officers, employees, agents and subcontractors do not represent themselves, as such.

7. Personnel

- 7.1 The Commissioned Organisation shall provide adequate and competent personnel to perform the Services and shall ensure that they undertake the Services in accordance with the terms of the Project Agreement.
- 7.2 Subject to clause 7.6 the Commissioned Organisation shall ensure that the Specified Personnel undertake work in respect of the Services in accordance with the terms of the Project Agreement. Where Specified Personnel are unable to undertake work in respect of the Services, the Commissioned Organisation shall notify ACIAR immediately. The Commissioned Organisation shall, if so requested by ACIAR, provide replacement personnel acceptable to ACIAR at no additional charge and at the earliest opportunity.
- 7.3 Personnel of the Commissioned Organisation (including Specified Personnel, employees, agents and subcontractors) who are undertaking Services in the Collaborating Country and who are not citizens of that country shall in no way become involved in the political affairs of the Collaborating Country. If, in the opinion of ACIAR such personnel have become involved in the political affairs of the Collaborating Country, ACIAR may require the Commissioned Organisation, at its own cost, to promptly remove the personnel involved from work in respect of the Services and for their replacement with personnel of equal competence approved in writing by ACIAR prior to their appointment.
- 7.4 ACIAR may, on reasonable grounds, give notice requiring the Commissioned Organisation to remove personnel (including Specified Personnel, employees, agents and subcontractors) from work in respect of the Services. The Commissioned Organisation shall at its own cost, promptly arrange for the removal of such personnel from work in respect of the Services and their replacement with personnel acceptable to ACIAR. may terminate the Project Agreement in accordance with clause 18.

- 7.5 The Commissioned Organisation is responsible for arranging and paying for travel for, and payment of salaries and allowances to, its personnel including Specified Personnel and subcontractors from the Budget provided for in the Project Document.
- 7.6 Where not specified in the initial CEO approved Project Document, the Commissioned Organisation shall obtain the prior written approval of ACIAR to the appointment of the Specified Personnel or any specialist or scientist to perform the Services, which approval shall not be unreasonably withheld. If ACIAR requests, the Commissioned Organisation must promptly provide any relevant information including:
- (a) the full names and date of birth of the proposed person(s);
 - (b) a statement which describes the position to be held, the position selection criteria and details of the duration of the proposed appointment;
 - (c) a copy of the curriculum vitae of each of the proposed persons which details relevant employment experience and educational qualifications; and
 - (d) any other information relating to the proposed appointment necessary for or directly related to the Services.

8. Travel

- 8.1 The Commissioned Organisation shall provide prior written notice to ACIAR detailing all visits scheduled to a Collaborating Country by its personnel, including Specified Personnel and subcontractors. Details of any dependants accompanying the personnel shall also be provided in the notice. The written notice is to be provided as a Travel Advice Note available on the ACIAR website (<http://aciar.gov.au/travel>).
- 8.2 In the event it is advised that officials from the Collaborating Country involved in the Project intend to visit Australia, the Commissioned Organisation shall use its best endeavours to ensure that as much notice as possible is provided to the Australian Embassy, the Australian High Commission or the Australian Consulate, as appropriate, in the Collaborating Country so that it may commence visa and other formalities.

- 8.3 The Commissioned Organisation shall provide promptly to ACIAR a copy of any such notices to the Australian Embassy, the Australian High Commission or the Australian Consulate.
- 8.4 At the completion of the travel referred to in clause 8.1, the Commissioned Organisation shall provide to ACIAR within thirty days of travel, a trip report that shall include the travel itinerary and information relevant to ACIAR's monitoring of the Project.
- 8.5 From time to time Australians are advised for security and safety reasons not to travel to certain countries or areas within countries. The Commissioned Organisation is responsible for the security and safety of any personnel it engages for the Project and should either make its own enquiries or check the Department of Foreign Affairs and Trade (DFAT) Travel Advices before Project personnel travel. Neither ACIAR nor its officers, employees or subcontractors accept any responsibility or liability for any injury, loss, damage or expense incurred by personnel of the Commissioned Organisation and/or its subcontractors, in any circumstances and in particular, who travel in areas where security or safety risks exist or who travel against the advice of DFAT in these matters.

This clause 10.1 shall be interpreted such that the relevant obligation is that which was in effect at the time of the action in question.

- 10.2 Unless otherwise expressly agreed in writing by the Parties, the Project Agreement does not affect the ownership of Background IP. The Commissioned Organisation grants to ACIAR or shall secure the grant of a permanent, irrevocable, royalty free, world-wide, non-exclusive licence (including a right to sublicense its rights to third parties) to use, reproduce, modify, publish, adapt and communicate to the public Background IP in conjunction with Project IP. Where ACIAR proposes to sub-license its rights under this clause 10.2, ACIAR will ensure that any sub-licence will be on the same or substantially the same terms as the licence ACIAR has from the Commissioned Organisation.

- 10.3 The Commissioned Organisation warrants that to its actual knowledge and belief, following all diligent and reasonable enquiries, at the date of the Project Agreement or the date on which Background IP is first used in the Project (whichever is applicable to the circumstances):
- (a) it is the owner of, or is otherwise entitled to use, the Background IP;
 - (b) it is entitled to grant the licences under clauses 10.2 and 10.11; and

- 10.4 The Commissioned Organisation shall indemnify, and keep indemnified ACIAR, its officers, employees and agents, from and against any and all liability, loss, damage, cost (including the cost of any settlement and legal costs and expenses on a solicitor/client basis), compensation or expense incurred by them arising out of any action, claim, suit, dispute, or proceeding brought by any third party in connection with the breach of the warranties set out in clause 10.3.
- 10.5 For the purposes of this clause 10, “infringe” and “infringement” means unauthorised acts which would, but for the operation of section 183 of the Copyright Act 1968 (Cth), constitute an infringement.
- 10.6 The warranties and indemnities contained in this clause 10 shall survive the expiration or termination of the Project Agreement.
- 10.7 The Commissioned Organisation shall notify ACIAR of the details of any Intellectual Property created as a result of the performance of the Services. Any notification shall be treated as Confidential Information by ACIAR.
- 10.8 The Parties agree that Project IP shall:
- (a) in Australia, vest in the Commissioned Organisation; and
 - (b) in the Collaborating Country, vest in the Collaborating Institution or an authority designated by the government of the Collaborating Country.
- 10.9 The Commissioned Organisation and the Collaborating Institution shall, prior to the commencement of the Services, enter into an agreement covering, without limitation, the following:
- (a) the ownership of Project IP in countries other than Australia and the Collaborating Country;
 - (b) the terms of any licence of Project IP between the Parties, including securing such rights as are necessary for the Commissioned Organisation to grant the licence to ACIAR under clause 10.11;
 - (c) the terms of any licence of Background IP, including securing such rights as are necessary for the Commissioned Organisation to grant the licence to ACIAR under clause 10.2; and
 - (d) the allocation of costs relating to the application for and maintenance of the Intellectual Property rights between the Commissioned Organisation and the Collaborating Institution.
- 10.10 The Commissioned Organisation agrees that the arrangements referred to in clause 10.9 shall be made taking into account the following factors:
- (a) the intellectual contributions of the Commissioned Organisation and the Collaborating Institution;
 - (b) the financial contributions of the Commissioned Organisation and the Collaborating Institution;
 - (c) the contribution of pre-existing Intellectual Property, materials, research effort and preparatory work of the Commissioned Organisation and the Collaborating Institution;
 - (d) the facilities provided by the Commissioned Organisation and the Collaborating Institution; and
 - (e) such other relevant considerations as the Commissioned Organisation and the Collaborating Institution may mutually determine.
- 10.11 Where ownership of the Project IP vests in the Commissioned Organisation, the Commissioned Organisation grants to ACIAR a permanent, irrevocable, royalty free, world-wide, non-exclusive licence (including a right to sublicense its rights to third parties) to use, reproduce, modify, publish, adapt and communicate to the public that IP. Where ACIAR proposes to sublicense its rights under this clause 10.11, ACIAR will ensure that any sublicense will be on the same or substantially the same terms as the licence ACIAR has from the Commissioned Organisation.

- 10.12 The Commissioned Organisation agrees that it will not sub-license or assign Project IP without first obtaining ACIAR's prior written consent. Despite this, a Commissioned Organisation may sub-license Project IP on a non-exclusive basis to subcontractors specified in the initial CEO approved Project Document without first seeking ACIAR's approval.
