

# **Getting started with ACIAR Learn**

This is a guide on how to register for the new ACIAR Learn platform, and begin studying your first course. It will show you the process step by step, so that you know what you can expect to see at each stage of the process. If what you see as you try to register differs from the below screenshots, please contact us at <u>aciarlearn@uq.edu.au</u> and we will assist you with the process.

### **STEP 1: Clear your browser cache**

If you have previously enrolled in an ACIAR Learn course, you will first need to clear your browser cache by following the below instructions according to the browser that you use.

**If you do not clear your browser cache** before going to <u>https://aciarlearn.com</u>, you will be taken to the old ACIAR Learn website, not the new ACIAR Learn website (as the web address remains the same) and, as a result, **you will be unable to register**.

### **Google Chrome:**

- 1. On your computer, open Chrome.
- 2. At the top right, click **More** (the 3 vertical dots icon in the top right hand corner)
- 3. Click **More tools** and then **Clear browsing data**.
- 4. At the top, choose a time range. To delete everything, select **All time**.
- 5. Next to **"Cookies and other site data"** and **"Cached images and files"** check the boxes.
- 6. Click Clear data.

← → C ③ Chrome | chrome://settings/clearBrowserData

#### Microsoft Edge:

- Open Microsoft Edge, select Menu (the 3 horizontal dots icon on top right hand corner of the browser) > Settings > Privacy & services.
- 2. Under Clear browsing data, select Choose what to clear.
- 3. At the top, under **Time Range**, select **"All time"** from the drop down menu, and then select the **"Cached images and files"** and **"Cookies and other site data"** check boxes and then select **Clear**.
