Pursuant to the Senate Order entity contracts the above table sets out contracts entered into by the Australian Centre for International Agricultural Research which provide for a consideration to the value of \$100,000 or more (GST inclusive) and which:

- have not been fully performed as at 30 June 2026; or
- have been entered into during the 12 months prior to 30 June 2026.

Most of the Contracts listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be obtained or generated in carrying out the contract.

The reasons for including such clauses include:

- Ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- Protection of other Commonwealth material and personal information.

The accountable authority of Australian Centre for International Agricultural Research has assured that the listed contracts do not contain any inappropriate confidentiality provisions.

Procurement contracts are available through the Senate Order Report located on the AusTender Homepage (www.tenders.gov.au).

Estimated cost of complying with this Order: \$1,500
Method used to estimate the cost: Applying salary and on-costs to the number of hours spend by staff across various classifications
