

## Literature related to proposed ACIAR Indus Basin Pakistan salinity project

### Table of Contents

IWRM background, experiences and critique – Pakistan .....	2
IWRM background, experiences and critique – Australia and elsewhere .....	2
(Australia).....	2
(special EM issue on environmental flows, Australia) .....	3
(elsewhere) .....	4
On systems approaches to salinity management and their application .....	5
(socio-economics aspects) .....	5
On holistic approaches and their application .....	6
Relevant literature on scenario methods and adaptation pathways .....	6
On ecosystems approaches and their application .....	8
Role of ecosystems services with specific relevance to salinity management .....	10
Role of ecosystems services and soils, water, coastal wetlands management etc. ....	10
On ecosystems approaches and their application – examples from Asia .....	11
(Bangladesh).....	11
(ESPA project) .....	11
(China) .....	13
(India).....	13
(SE Asia and other).....	13
On ecosystems approaches and their application – Pakistan examples .....	14
Background to salinity management in Pakistan .....	14
(ACIAR) .....	14
(Other) .....	15
Examples of innovative approaches to salinity management – Springer 2013 book .....	16
Examples of innovative approaches to salinity management – In general: FAO etc. ....	16
Examples of innovative approaches to salinity management – In Pakistan .....	17
(IWASRI).....	17
(SSRI) .....	17
(IWMI project on skimming wells) .....	17
(remote sensing) .....	18
(Springer 2013 book) .....	18
(Other mixed) .....	19
Examples of innovative approaches to salinity management – Elsewhere .....	21
Other ACIAR projects on salinity .....	21
(Final reports obtained) .....	21
(Final reports not yet obtained).....	21
(Iraq – obtained).....	22
(Iraq – of interest, but not yet obtained).....	22
